The Universities at Shady Grove (USG) offers select degree programs from nine Maryland universities on one full-service campus in Montgomery County. Students apply to the university offering their major at USG — the professors, curriculum and diploma still come from that university — while benefiting from a high-level of personalization, greater cost-savings, a focus on career-readiness programming, and a degree that meets the needs of the local workforce.

UNDERGRADUATE PROGRAMS

University of Maryland, College Park

B.S. Accounting
B.S. Biocomputational Engineering
B.S. Biological Sciences
B.A. Communication
B.A. Criminology and Criminal Justice
B.S. Cyber-Physical Systems Engineering
