Mary Maryland

mary.maryland@email.com | 123-456-7890 | Silver Spring, MD | https://marymary.wixsite.com/

PROFESSIONAL SUMMARY

Innovative and scientifically rigorous recent graduate with a significant data science internship experience to bring to the table. With a team-oriented attitude, I am eager to contribute my abilities in quantitative modeling and experimentation to enhance the experience of Pinterest users around the world.

EDUCATION

University of Maryland, College Park   Expected, May 2023
Bachelor of Science in Information Science   GPA: 3.9
Honors and Awards: Dean's List (all semesters)
Relevant Coursework: Course 1, Course 2

Montgomery College   May 2020
Associate of Science in General Studies   GPA: 3.4

SKILLS

Programming: SAS (base SAS and Macros), SQL, Python
Data Visualization: Excel, Google Sheets
Graphics tools: Adobe products, JIRA, Blender, GitHub, Unity Collab, paint.net, GIMP 2, OpenShot Video Editor, OBS Studio, Audacity

ACADEMIC PROJECTS

Fantasy Football Models   January 2021-May 2021
Final Project, INST 351

• Aggregated and prepped 3 years of fantasy football projection data from 3 independent sources into a MySQL database.
• Created a random forest model in SAS, combining disparate sources into one projection that outperformed the mean absolute error of the next best projection by 15%.

Entertainment Engine   September 2021-May 2021
Culminating Project, INST 296

• Aggregated data from IMDB and Rotten Tomatoes, and used k-nearest-neighbors in SAS, constructing an enhanced entertainment selection targeted to reach 15- to 25-year-olds.
• Improved methodologies to save an average of 12 minutes per movie selection and 3 minutes per song selection.

RELEVANT EXPERIENCE

Niantic   **Rockville, MD**
Data Scientist Intern   January 2021 - Present

• Developed a program in SAS that automated refinement of linear regression models for specific segments of a customer base that saved 22 hours of labor per month.
• Received, cleaned, and prepped data from client using SAS, SQL, and Excel to help data scientists build marketing mix models that resulted in a lift in ROI of 10 basis points.

ADDITIONAL PROFESSIONAL EXPERIENCE

Seattle University Tutor Center **Seattle, WA**
Virtual Statistics and Mathematics Tutor April 2019 - April 2021
• Assessed students' learning to determine learning weaknesses and needs, successfully helping students perform 13% better in algebra, pre-calculus, calculus, and statistics undergraduate courses.
• Met with 30+ students per week through online learning platforms or in a 1:1 setting at the tutor center.
• Scheduled weekly appointments for students, and set schedules for student statistics and math tutors. Communicated with professors about curriculum, and submitted reports 2 times per week to maintain up-to-date learning plans for students.
