Program Info

The Towson University M.A.T. program is for post-baccalaureate students who do not have any prior formal training in the field of education. Admission to this program is limited exclusively to full-time employees of Montgomery County Public Schools. Courses meet once a week in nine-week sessions, which allows students to take two classes per semester but only one class at a time. Students are admitted to enter the program annually in the fall. The M.A.T. program is a cohort program, which admits a limited number of students each year, on a “rolling admission” until the cohort reaches student # class capacity. Students are encouraged to apply and submit all required documents early, but no earlier than 12 months prior to the start of the program.

Admission Requirements

To be considered for admission, students must:

Have a GPA of 3.0 for full admission. A GPA between 2.50 and 2.99 may be considered for conditional admission.

Have no more than 18 credits of content courses to complete while in the program

Submit a complete application consisting of the following:

- Official transcripts (from all colleges attended)
- Résumé
- Written statement
- Two letters of recommendation

After admission, but prior to starting classes, students will attend orientations at USG.

**Students should plan to apply in the FALL for entrance into the program one year prior to the start date(s).
