Graduate Student Association Class Gift	Francisco Cartagena Bracamonte UMBC Cybersecurity
Presentation of Senior Gift and Graduation Celebration Video	Tiffany Flowers Graduation Candidate Towson University B.S. in Elementary Education/Special Education
Closing Remarks	Dr. Anne Khademian

KEYNOTE SPEAKER

CONGRESSMAN JAMIE RASKIN

Congressman Jamie Raskin proudly represents Maryland's 8th Congressional District in the U.S. House of Representatives. The district includes Montgomery, Carroll, and Frederick Counties. Congressman Raskin was sworn into his third Term at the start of the 117th Congress on January 3, 2021.

This is Rep. Raskin's third term serving on the House Judiciary Committee, the Committee on Oversight and Reform, and the Committee on House Administration. This is his second term serving on the Rules Committee and the Coronavirus Select Subcommittee. He was also renamed Chair of the Oversight Subcommittee on Civil Rights and Civil Liberties and Chair of the Rules Subcommittee on Expedited Procedures for the 117th Congress.

Prior to his time in Congress, Raskin was a three-term State Senator in Maryland, where he also served as the Senate Majority Whip. He earned a reputation for building coalitions in Annapolis to deliver a series of landmark legislative accomplishments. He was also a professor of constitutional law at American University's Washington College of Law for more than 25 years. He authored several books, including the Washington Post best-seller *Overruling Democracy: The Supreme Court versus the American People* and the highly-acclaimed *We the Students: Supreme Court Cases For and About America's Students*, which has sold more than 50,000 copies.

Congressman Raskin is a graduate of Harvard College and Harvard Law School.

STUDENT SPEAKER

MARIANELI DE LEON

Marianeli De Leon is a first generation Guatemalan American living in Kensington, Maryland. She began her journey through the Achieving Collegiate Excellence & Success (ACES) program at Northwood High School and proceeded to attend Montgomery College to earn an Associate's Degree in Communication Studies. She then transferred to the

University of Maryland, College Park's (UMCP) Communication program at USG and continued to stay involved with the ACES program.

Marianeli later obtained a part-time job with the Center for Recruitment and Transfer Access where she was able to connect with staff and faculty at USG. She then joined the Undergraduate Communication Association (UCA) to form stronger relationships with members of her cohort, and also became a student blogger for USG's student blog "Around the Grove."

Marianeli will be attending the Philip Merrill College of Journalism at UMCP to pursue her Master's in Journalism. She was presented a fellowship with the Howard Center for Investigative Journalism, a scholarship that will support her for two years with UMCP. She will strive to become a well-known investigative journalist once she finishes her graduate studies, but vows not to forget the USG community and all of those who helped her get to this point in her life, for they have a special place in her heart forever.

MASTER OF CEREMONIES

MICHAEL SCHLITZER

Michael Schlitzer was born and raised in Woodlawn, Maryland and is a 1991 graduate of UMBC with a B.A. in Political Science, a minor in History, and a certificate in the Russian language. From UMBC he studied at the RAND/UCLA Center for Soviet Studies. Leaving the RAND/UCLA Center for Soviet Studies in 1992 after

the collapse of the Soviet Union, Michael returned to Maryland, married his college sweetheart, and began working in the audio/visual and videoconferencing industry.

After more than 20 years in various sales and operational roles, Michael was introduced to the Python programming language through Charles "Dr. Chuck" Severance's "Python for Everybody" courses, which led, step-by-step, to a passion for Data Science. While considering schools, Michael heard a radio ad for an M.P.S. degree in Data Science from UMBC at USG, and that was that. He will graduate this year with his M.P.S. in Data Science as a Phi Kappa Graduate.

Michael is an avid cyclist, musician, and advocate for social justice in Loudoun County, Virginia, where he lives with his wife, Tracey, daughters Rebekah, Abigail, and Elizabeth, and son Andrew.

The Universities
AT SHADY GROVE

*Stay Connected
with USG*

As you go forward into your career, we hope you will remember your time here and be inspired to make a difference in the lives of future students. Here's how you can remain a part of the USG community long after you graduate:

- *Volunteer to mentor a student*
- *Connect with your university's alumni association*
- *Become an Alumni Ambassador at USG*
- *Attend USG community and alumni events*
- *Utilize on-campus career services*
- *Support scholarship initiatives*

Keep in touch with us

Email us at usg-advancement@umd.edu for more information.
To support scholarships, visit shadygrove.umd.edu/give.
