USG AT A GLANCE

The Universities at Shady Grove (USG), is an innovative partnership of nine University System of Maryland (USM) universities on one campus in Montgomery County. Each of the partner universities provides its most highly sought academic programs and awards its own degrees. USG, in turn, provides centralized on-site student, academic and administrative services.

This unique integrated approach allows USG to offer 80 upper-level undergraduate, graduate degree and certificate programs, in flexible formats that allow students to live, work and study close to home. USG connects students to outstanding career opportunities while providing regional employers with a highly educated, skilled workforce.

15,000+

students have earned degrees from programs offered at USG since its inception in 2000.

3,100+

in undergraduate and graduate programs; all undergraduate are upper-level transfers.

\$8,000

can be saved by completing the 2+2 community college to university pathway versus a 4-year pathway.

77%

of students who transfer to programs at USG graduate within four years. This is higher than the four year graduation rate of 69% for transfers across the system.

80%

of undergraduate students transfer from a community college.

88%

of graduates are working in the region or attending graduate school in their intended field.
