

LEARN. LEAD. SUCCEED. IN MONTGOMERY COUNTY

CONVENIENCE

Save on commuting, room, and board, while maintaining family and work commitments. All degrees offered at USG fit the needs of the local workforce, so you can make connections that will help you earn internships and employment after graduation.

PERSONALIZED EDUCATION

The average class sizes throughout the pathway will be approximately 30-35 students. Your professors will not only know your name, but your goals as well. And support services at both campuses are plentiful and customized to your needs.

AFFORDABILITY

Lower tuition at MC, reduced campus fees, and increased scholarship opportunities throughout the pathway allow students who follow the MC-USG plan to save \$50,000+ on the cost of a 4-year degree. Bonus: 50% of students who apply for scholarships at USG get one!

THE COLLEGE EXPERIENCE

Numerous student life and leadership opportunities are available at both MC and USG, from student organizations to fun events. Starting a club is easy, as is rising to club leader! Students in programs at USG are also free to visit the main campus of the university offering their major for additional student life opportunities.

At the **Universities at Shady Grove (USG)**, nine Maryland universities offer their best degree programs all on one convenient campus in Rockville. The process is simple — complete approximately 60 credits at Montgomery College (MC), then transfer to one of the programs offered at USG to complete the last two years of your bachelor's degree. Apply to and earn your diploma directly from the university offering your major, while staying local and enjoying increased personalization and affordability throughout.

ACES STUDENTS: Benefit from one-on-one coaching, academic support, career readiness activities, additional scholarship options, leadership opportunities, and more by remaining in the MCPS-MC-USG Pathway!
