

# Art B.F.A. with track in **GRAPHIC DESIGN**

## at The Universities at Shady Grove (USG)

### Visual Communication and Problem Solving

Our Art B.F.A. Program with a track in Graphic Design is rooted in fine arts with a concentration in digital design. Students will take courses in web design, user-experience design, package design, branding, illustration and more. Upon completion our graduates can gain employment as creative directors, brand strategists, user-experience designers and web designers just to name a few.

### Program Highlights:

- Use your associate's degree as a building block towards earning your bachelor's degree close to home.
- Classes are taught at the USG Rockville, MD campus and via interactive video from Salisbury University.
- Students have the opportunity to learn from leading industry professionals and guest speakers.
- Students gain practical experience through a semester-long internship and client-based project work.
- Culminating senior portfolio event.
