HOSPITALITY & TOURISM MANAGEMENT

The Mission of the Department of Hospitality and Tourism Management (HTM) is to prepare entry-level management professionals with essential skills for long term hospitality career success and industry leadership.

Our location in Montgomery County provides students the opportunity to advance their education and stay close to home, family and current employment!

I invite you to learn all about the HTM program at the Shady Grove Campus.

A special note to prospective students: To ensure the most seamless transfer, frequent and detailed planning is important, so contact me early in your planning process.

Sincerely,
Dr. George Ojje-Ahamiojie

The University of Maryland Eastern Shore's Hospitality and Tourism Management (HTM) program at the Universities at Shady Grove is an upper division program providing full-time and part-time curriculum plans of study in hospitality management.

The program prepares the students for management positions in lodging, restaurant, travel attractions, meeting and conventions, as well as, all food service industries.

Combining both classroom and hands-on experience the focus is on key management and control areas in the hospitality industry, such as:

- Front and back of the house operations
- Business administration and marketing
- Financial aspects of business management
- Technological applications and systems operations
- Legal issues and human resources management

We are extremely proud to be a source of superior management talent for the industry. And we continue to build strong partnerships with industry leaders to enhance our program and to provide a regional opportunity for continued education for current staff members.
