The Universities at Shady Grove (USG) offers select degree programs from nine Maryland universities on one full-service campus in Montgomery County. Students apply to the university offering their major at USG — the professors, curriculum and diploma still come from that university — while benefiting from a high-level of personalization, greater cost-savings, a focus on career-readiness programming, and a degree that meets the needs of the local workforce.

### UNDERGRADUATE PROGRAMS

<table>
<thead>
<tr>
<th>University of Maryland, College Park</th>
