C3 Cyber Club
Gaming and Coding Teacher (After School) - paid
Career Connector Job ID #10700

Description
Gaming and Coding Teacher (After School) - Montgomery County, MD
C3 Cyber Club provides fun and exciting interactive technology classes for After-school programs such as Minecraft Programming, Lego Robotics, Video Game Design, and more! Teachers, students and parents concur that our technology classes are a great way to give students a competitive advantage and challenge their minds, all while having fun!

Teach technology classes at schools in one (or more) of the following VA/MD/DC counties/cities:
Loudoun | Fairfax | DC | Montgomery | Howard | Frederick
Hours: between 1:30pm-6:00pm with shifts lasting approximately 3.5 hours in that range (depending on school locations)

DUTIES:
Pick up equipment from our local facility and travel to assigned school
Show up ON TIME - we are responsible for children
Set up laptops and related equipment for 8-12 children
Teach Minecraft Programming, Game Design, and/or Lego Robotics classes
Ensure students safely leave with appropriate parents or staff

QUALIFICATIONS:
Familiar with video and/or computer games
Enjoys working with and teaching kids between 5 and 14 years of age
Good interpersonal and communication skills
Must be able to work well independently
Must be able to pass a criminal and sex offender background check
*PLUS but not required - some experience with basic programming, Minecraft, Lego Robotics, or any 3D modeling software
*PLUS but not required - some child-care, teaching and/or tutoring experience

COMPENSATION: $45-$75 PER SHIFT (2.5 - 5 hour shifts)
This position can be a paid internship or part-time seasonal position during the active school year. Paid training will be available for new employees the first month of each season.
Option to continue employment into future season(s) available!

No previous experience is required! PAID TRAINING and curricula are provided! This is a great job for college students or part-time job seekers interested in gaining teaching experience and learning more about this exciting field. Classes meet once a week at each school and run for 6 to 8 weeks. Only a minimum of 2 days a week required!

To Apply
Interested candidates should email Dave Hendricks at dave@c3cyberclub.com. Subject title should be for the position and county preference ("After School Mobile Teacher Montgomery County"). Please attach your resume to the email and answer the following questions in the body of the email:

1. Do you own or have access to a personal vehicle (not public transportation or a ride from a relative or friend) to use to transport laptops and other related equipment from a C3 facility to the school and back?

2. Would you pass a criminal/sex offender background check?

3. Do you have a valid driver's license with a clean history?

4. What video and/or computer games have you played in the past?
5. What video and/or computer games do you currently play?

6. What is your experience with children?

7. What computer software are you familiar with?

8. Are you available at least two days per week (Monday-Friday), from 1pm to 6pm? If so, which days?

9. What is your primary county of preference (Howard, Montgomery, Frederick, DC, Fairfax, Loudoun)?

10. Do you have a secondary county you would be willing to travel to for extra pay if needed? If so, which county (Howard, Montgomery, Frederick, DC, Fairfax, Loudoun)?

11. Do you require sponsorship to work in the US?

12. What is your available start date?
