Requirements

Qualifications

Applicants must meet all requirements by the closing date of this announcement.

The Premier Civilian Intern (PCIP) program:

To qualify for an Internship as a GS-05, students must have completed four full semesters leading to a bachelor's degree, and must be enrolled in a full-time academic program, scheduled to graduate in the Fall semester of 2021 or Spring semester of 2022 to receive consideration. Applicants who have already attained a bachelor's degree may also be considered if they are currently enrolled in a full-time master's degree program, scheduled to graduate in the Fall of 2021 or Spring semester of 2022.

You must be a student currently enrolled in an accredited public or other non-profit college or university:

- Enrolled in an approved degree program
- Enrollment must be in a full-time program
- Have a good academic standing (no less than 2.95 cumulative GPA on a 4.0 grading scale)
- Meet the qualification standards of the position
- Must be at least 16 years of age
- A U.S. citizen or a national (resident of American Samoa or Swains Island)
- Must sign a Participant Agreement

Medical, Health and Fitness Requirements:

- Must be physically fit in order to perform strenuous and physically demanding duties
- May be required to take a series of vaccinations and immunizations
- Moderate to arduous physical exertion involving standing, walking, running
- The use of firearms (prior to conversion to the 1811 job series, applicants must meet the initial and continuing AFOSI qualifications in the use of firearms)
- Exposure to inclement weather or other environmental hazards
- Manual dexterity
- Arms, hands, legs, and feet must be sufficiently intact and functioning in order that applicants may perform the duties satisfactorily
- Corrected visual acuity:

20/20 or better with or without correction in the better eye or 20/30 or better with or without correction in the worse eye; near visual acuity: 20/30 or better, binocular conditions with or without correction @ 40 cm (16 inches); uncorrected visual acuity: 20/200 or better, binocular conditions without correction; visual field: full visual field in each eye; color vision: possess adequate color vision to correctly identify basic colors as demonstrated by passing the Farnsworth D-15 Test with less than two major errors; binocular depth perception: stereo acuity of 70 seconds of arc or better; night vision: normal dark adaptation and night vision

- Adequate hearing is required in order to perform duties safely and satisfactorily; hearing loss, as measured by an audiometer, must not exceed 35 decibels at 1000, 2000, and 3000 Hz levels
- Must possess emotional and mental stability
- Any physical or mental condition that would cause the applicant to be a hazard to themselves or others is disqualifying-
- Must successfully pass a pre-employment medical examination (including vision, hearing, cardiovascular and mobility of extremities) by an authorized Government physician and be determined physically able to perform duties without being a hazard to themselves or others
