

**Pioneer Power Group
Part-Time Quoting Specialist (paid)
Career Connector Job ID #10481**

Position Title: QUOTING SPECIALIST

Pioneer Power Group is one of the leading engineering firms in the Mid-Atlantic for Power System Studies and we are looking to add to our team. Our company actively recruits underrepresented students to teach, train, nurture and educate them, allowing these students to further bolster their education with practical training in our company. If you like working on a variety of projects, and collaborating with other intelligent, driven individuals, then this is the place for you.

We are seeking to fill a paid part-time role for our Gaithersburg office.

The position will:

- Have an exciting opportunity to develop business acumen and technical skills simultaneously
- Assist the Quoting teams to get new job opportunities priced and to the customer
- Work under the mentorship of a fellow team members to gain real world engineering experience
- You will be taught how to read and interpret specifications and drawings to create proposals and pricing for customers

Key Skills:

- Ability to work in a fast-paced environment
 - Analytical thinker
 - Self-starter / Independent learner
 - Self-manage projects with tight deadlines
 - Effective communication – engaging with customers and internal team members
