The D.C. Office of the Representative Joseph Morelle is currently accepting applications for a paid, remote internship. Interns will be asked to answer phones, research legislation, attend virtual hearings and briefings, and draft memoranda to the Congressman and legislative staff. As a result, interns learn about the legislative process and the many other functions of a congressional office.

Ideal candidates should possess excellent communication skills, a strong attention to detail, the ability to work in a fast-paced environment, and a good sense of humor. New York State ties are preferred, but not required.

To Apply:

Interested applicants should send a resume, cover letter, a one-page writing sample, and dates of availability in a PDF format to Elena.Bernstein@mail.house.gov with "NY-25 Summer Internship" in the subject line. The deadline for applications is March 19th, but students are encouraged to submit their application early.
