The Treatment and Learning Centers in Rockville, MD is looking to hire an Entry Level Direct Support Professional position assisting adults with disabilities in the community. The hours vary and will include some evenings and weekends. Full Time or Part Time opportunities are available. Go home every night knowing you made a difference in a person’s life. Share what you see with others and make a difference! Direct Support Professionals teach, encourage, and support people with disabilities to live rewarding lives.

Responsibilities of the Direct Support Professional:
- Helping people to learn basic skills with cooking, budgeting, and household chores (cleaning charts, grocery shopping)
- Assisting people in accessing educational or recreational opportunities in the community (movies, museums, live shows, sporting events, karaoke, physical fitness)
- Connecting people to community resources such as medical, housing or transportation
- A company car will be provided to all staff when they are supporting individuals

Experience and Skills
Requirements of the Direct Support Professional:
- Must have an Associate’s degree in Vocational Rehabilitation, Psychology, Special Education, or a closely related field. Direct work experience may be substituted for educational requirements
- Experience working with individuals with brain injury, neurological impairments, and developmental disabilities preferred - Direct work experience may be substituted for educational requirements
- Must have and maintain a valid driver's license and acceptable driving record and have a car
- Computer literacy is required
- Must have ability to demonstrate and apply knowledge about disabilities, including disability and privacy laws
- Ability to communicate effectively with consumers and staff, exhibit effective customer service skills, promote consumer self-advocacy skills and counseling skills
- Ability to provide well-written and comprehensive documentation
- Must be highly organized, able to demonstrate effective time management skills
- Must be able to work with a team and support team members
