Announcement number: ALL OFC-2020-0025
Control number: 577445500

Duties

Summary
These positions are located in various offices at the U.S. Nuclear Regulatory Commission. MOST OF THE JOB OPPORTUNITIES ARE AT NRC HEADQUARTERS IN ROCKVILLE, MD.

There are limited engineering and science oriented opportunities in NRC regional offices: REGION I-King of Prussia, PA; REGION II-Atlanta, GA; REGION III-Lisle, IL; REGION IV-Arlington, TX; and the Technical Training Center in Chattanooga, TN.

These positions are Non-Bargaining Unit.

Responsibilities
The U.S. Nuclear Regulatory Commission (NRC) views summer interns as our future workforce. The work performed is professional in nature and in a learning environment that gives the student intern the opportunity to evaluate the work for potential long-term employment. Student employment assignments are based on the functions and tasks performed in the organization to which you are assigned and ideally related to your academic and career goals. Areas of assignment could include engineering and science, accounting, finance, information technology, among others, for more information visit http://www.nrc.gov/about-nrc/employment/students.html.
Travel Required: Not required
Supervisory status: No

Requirements

Conditions of Employment

Qualifications are based on your academic standing as of the end of the 2020/2021 academic year (May/June 2021). Transcripts (official or unofficial) are required to determine academic standing at the time of application.

SONS, STEP-SONS, DAUGHTERS, OR STEP-DAUGHTERS of CURRENT NRC EMPLOYEES ARE NOT ELIGIBLE FOR HIRE IN THIS PROGRAM.

Qualifications

PLEASE READ THE FOLLOWING CAREFULLY:

To qualify for these positions all applicants MUST currently hold and must maintain a cumulative GPA of 2.85 or higher, be enrolled in a degree seeking program during the 2020/2021 academic year, and meet the academic criteria specified below.

The NRC is accepting applications for the following disciplines:

Accounting: Accounting, Finance, Economics, Business Data Analytics

Engineering: Nuclear, Mechanical, Civil, Electrical, Fire Protection, Chemical, Industrial, Environmental, Risk and Reliability, Construction

Physical Science: Geology, Health Physics, Hydrology, Atmospheric and Environmental Science, Physics

Graphics: Graphic Design; Multimedia Design
Information Technology: Cybersecurity, Cloud computing, Data Analysis, Computer Science/ Information Technology

Mathematics: Statistics, Data Science

Your grade (GG-04, GG-05, GG-07 OR GG-09) will be determined by your semester or quarter hours and GPA, based on the end of the 2020/2021 academic year. However, the base hourly rate of pay will be no lower than $12.90 and no higher than $35.82. Your salary will be determined by locality, discipline, grade point average (GPA), and number of semester hours completed.
