Westat
Research Assistant
Career Connector Job ID #11448

Job Summary:
We have an immediate opening for a research assistant who will work with a research team to support the data collection for the National Assessment of Educational Progress, (NAEP), an innovative digital educational assessment also known as “The Nation’s Report Card.”

Job Responsibilities:
Provide analytical and operational support to the project staff.
Develop distance and in-person training materials.
Monitor the productivity and quality of the data collection effort.
Work with IT and project staff on system requirements.
Other relevant job duties as assigned.

Basic Qualifications:
A bachelor’s degree, preferably in the social sciences or education, and 1 year of experience in a research or education setting is required.
U.S. Citizenship is required by contract.
Strong written and oral communication skills, organizational skills, problem solving skills, computer skills (e.g., Microsoft Word and Excel), time management skills, as well as an ability to exercise independent judgment, work collaboratively in teams, and demonstrate attention to detail are essential. Experience with web survey design and development of eLearning content is preferred.

Westat offers competitive benefits with ESOP, 401k, Health, Dental, paid vacation, sick and holiday leave, professional development as well as other benefits.
Any offer of employment may be contingent upon receipt of acceptable results from a post-offer background screening, if required for the position, based on the specific position which may include, for example, identity verification, employment history, or criminal records history.
Westat is an Equal Opportunity Employer and does not discriminate on the basis of race, creed, color, religion, sex, national origin, age, veteran status, disability, marital status, sexual orientation, citizenship status, genetic information, gender identity, or any other protected status under applicable law.
