Career Consulting Questions

Student Guide

1 Academic Related

- What do I need to focus on academically to prepare for this industry properly?
- What can I do with my major? What are career paths should I research?
- Which memberships or industry groups/associations should I be involved in?

2 Job Search

- What is the current job market in my industry?
- Where can I find more information about jobs and careers in this industry?
- Where can I find a job/internship in my field?
- Are there any job search tips you would recommend?

3 Professional Growth

- How can I best network?
- Can you help me to identify three career development goals and action steps?
- What is important to highlight on my resume?
- What are the key skills I should be developing?

4 Personal Growth

- How can I make myself stand out in the competition?
- Can you provide me with feedback on my resume and cover letter?
- How can I improve my online presence?
