USG AT A GLANCE

The Universities at Shady Grove (USG), is an innovative partnership of nine University System of Maryland (USM) universities on one campus in Montgomery County. Each of the partner universities provides its most highly sought academic programs and awards its own degrees. USG, in turn, provides centralized on-site student, academic and administrative services.

This unique integrated approach allows USG to offer 80 upper-level undergraduate, graduate degree and certificate programs, in flexible formats that allow students to live, work and study close to home. USG connects students to outstanding career opportunities while providing regional employers with a highly educated, skilled workforce.
