RE: Updated Testing Clinic Hours - Effective 3/28/22  
Date: March 25, 2022

Due to decreased demand for COVID-19 testing and the elimination of weekly testing requirements by several of our partner universities, COVID-19 testing will now be available on the USG campus as follows:

- Wednesdays from 9 a.m. - 6 p.m. - Open to the general public
- Thursdays from 11 a.m. - 6 p.m. - Open to USG community members only

There will no longer be a testing clinic on Mondays. As a reminder, the COVID-19 testing clinics are held in G318 on the ground floor of the Biomedical Sciences and Engineering (BSE) building.

Also, rapid antigen tests are available upon request. Please contact Erin Ward ([eward9@umd.edu](mailto:eward9@umd.edu)) or Joyce Fuhrmann ([jfuhr6@umd.edu](mailto:jfuhr6@umd.edu)) if you would like to request one.

Thank you for your continued vigilance as we navigate this next phase of the pandemic together.
